**CUSTOMER AGREEMENT FOR CORPORATIONS, LIMITED LIABILITY COMPANY
PARTNERSHIPS, INDIVIDUAL PROPRIETORSHIP and JOINT or INDIVIDUAL HOMEOWNER**

The customer understands that accounts are billed monthly. Balances due to Jaeger Lumber are current for that first month of billing. The second month of billing balances are past due and receive a Finance Charge of 1.5% (for 18% per annum). Balances still unpaid on the third month of billing will result in suspension of credit until such balances have been paid. Terms and rate of finance charge subject to change with written notification.

New accounts are assigned credit limits based upon your request and our estimate of need or credit worthiness and are not to be exceeded without prior agreement. Good payment practice results in progressive expansion of available credit.

In the event Jaeger Lumber shall be required to retain an attorney or bonded collection agency to collect the dept referred to herein, the customer shall pay collection fees equal to 25% of the balance due, plus costs, in addition to amount already due.
